## Peering Through The Lighthouse Glass *Mattapoisett's Landmark Is Open To The Public*

U.S. Coast Guard Auxiliary member and longtime Mattapoisett resident Clayton Hagy smiled fondly as he peered over the black iron railing which encircles the beacon of the Ned's Point Lighthouse.

"There was an 86-year-old woman who was thrilled when she heard we were giving tours of the lighthouse," he said. "She quickly climbed up the steps and was so happy to be here ... the last time she had been inside was 1914. She was friends with the lightkeeper's children."

Indeed it has been many years since the public has been able to access the historic structure known as the Ned's Point Lighthouse. But now, thanks to the Marion Flotilla of the U.S. Coast Guard Auxiliary and its local group of active volunteers, the lighthouse has recently been opened to public tours. Since early July over 600 visitors have climbed the 36 granite steps which lead up into the lantern room to peer out over Mattapoisett Harbor and scenic Ned's Point.

Having taken over the care and maintenance of the structure from the Coast Guard earlier this year, the Auxiliary now has taken upon the added responsibility of granting guided tours to anyone that's interested. This first-of-its-kind program has since sparked similar situations in Woods Hole and across the nation, where full-time Coast Guard staff can no longer provide ongoing care and maintenance to these active beacons.

"It's impractical for the Coast Guard to maintain the lighthouse and we had a feeling they were going to walk away from it," Mr. Hagy said. "I don't think the town would be the same without it."

Built between 1836 and 1837, the black and white cone-shaped lighthouse has become a familiar part of the character of the town. Like the legendary Seahorse at the intersection of Route 6 and North Street and the gazebo at Shipyard Park, the image of Ned's Point Lighthouse is quintessentially Mattapoisett.

Towering at the tip of a four-and-a-half acre plot of land purchased by the town from Edward "Ned" Dexter for merely \$240, the lighthouse once burned an oil lantern and was flanked by a lightkeeper's house and storage facility for the fuel. The house was moved to Wing's Neck in 1935 and stands there to this day at the base of a now-defunct lighthouse.

Over the years, modifications were made to increase the efficiency and strength of the navigational aid. It now boasts a rotating 250-watt lamp (four electric lamps have been installed which rotate as each burns out) which can be visible for up to 12 miles — although Mr. Hagy said the actual range is closer to eight and a half miles due to weathering of the outer plexiglass windows.

When the Coast Guard took over the ownership and maintenance of the structure, a right of way was granted from the shoreline down the middle of the town-owned property. But since they only came to check up on the overall

maintenance of the beacon and to replace the bulbs when needed, the facility was never opened for public viewing.

That's when Clayton Hagy and the other 21 members of the Marion Flotilla agreed to take over the lighthouse.

"Until recently, no one has been able to access the lighthouse," Mr. Hagy said. "The Coast Guard would have to travel some 90 miles round trip to get here. I'm less than a mile away and don't mind checking up on it."

Among the other Coast Guard Auxiliary members who have put in time and effort to provide tours of the Mattapoisett landmark are Bert and Betty Theriault, and Joan Andersen, all from Mattapoisett; Kenn Cutler of Rochester; and John Ouellette of Onset.

"I think it's wonderful that the auxiliary members have put in so many volunteer hours to provide tours of the lighthouse," agreed Flotilla Commander Dennis Luttrell of Marion. "We're one of the most active flotillas in this area ... and I'm very proud of our efforts."

Mr. Luttrell is also actively involved with the effort to restore Marion's Bird Island Lighthouse, and noted that tours of the not-too-distant cousin of Mattapoisett's historic beacon will be opened for public viewing this Saturday, September 17, from 10:00 am to 3:00 pm. Tours will leave from the Harbormaster's station at Island Wharf.

Of course, Mr. Hagy noted with some disappointment that if the Coast Guard ever decided to abandon the lighthouse as an active aid to navigation, the auxiliary would have to follow suit. "But we've already talked to the Mattapoisett Historical Society, and if that comes to pass, they have agreed to take it over," he said.

Those interested in taking a tour of the lighthouse can leave their name and number with the Coast Guard office in Woods Hole (1-457-3324), and one of the local representatives will make arrangements to open the facility.

### A Beacon Through Time *A Brief History of the Ned's Point Lighthouse* By Virginia Morgan

In the early 1920's the Coast Guard relinquished jurisdiction over lighthouses to the Lighthouse Service. At that time a Mr. Eastman was the keeper of the Ned's Point Light in Mattapoisett.

In the economy move, the light was automated and Mr. Eastman was out of a job. In 1923 the lighthouse keeper's house was moved on a barge by E. C. Stetson across Buzzards Bay to Wing's Neck, where it stood as of 1976.

When the original discussion of a lighthouse for the area came up, many favored building it on Angelica Point. However, with the heavy traffic in Mattapoisett Harbor, Ned's Point was eventually selected as the location.

Constructed in the years 1836 and 1837, the light officially went on line in 1838. James A. Stowell was elected at the February 1938 Annual Town Meeting as a committee of one to negotiate with the United States government for procurement of the Ned's Point Lighthouse Reservation, on

behalf of the Town of Mattapoisett.

Through his efforts and those of Mattapoisett's Senators and Congressmen, the first assessment of the property at \$14,000 was reduced to \$7,000. With an Act unanimously passed by Congress and signed by President Roosevelt on May 17, 1938, the Ned's Point Lighthouse Reservation was conveyed to Mattapoisett. The agreement called for Mattapoisett to pay one-half of the assessed valuation, which would result in a \$3,500 payment for the Ned's Point property.

At the February 6, 1939 Annual Town Meeting, voters defeated an article to raise money to purchase the Reservation by a vote of 58 in favor to 37 against — a 2/3 majority was required to pass. At the March 8, 1939 Special Town Meeting, an article again was presented to the voters to purchase the

Reservation but was voted to lay on the table.

Voters did approve paying James Stowell the sum of \$98 at the February 1939 Annual Town Meeting for his services. However, it took another ten years before the town took any further action on the purchase.

In 1949 voters approved formation of a committee to study the purchase, comprised of seven members from the American Legion Post #280, three from the Planning Board, and the Chairman of the Board of Selectmen. The committee presented an article at the March 6, 1950 Annual Town Meeting requesting that the town purchase the Ned's Point Lighthouse Reservation from the Federal Government for a park, to be known as Veterans of Mattapoisett Memorial Park. The sum of \$3,000 was voted to be taken from the Rehabilitation Fund.

Finally, on March 10, 1952, the town obtained title to the property; and today, residents are afforded a lovely view of Mattapoisett Harbor and the historic Ned's Point Lighthouse.

## Mattapoisett Selectmen's Meeting

**September 13, 1994**

*By Bethany Morgan*

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, September 13 at 7:00 pm by Chairman John N. DeCosta. Also present were Selectman Paul E. Lambolot, Selectman Daniel O. Mahoney, and Executive Secretary Carol Adams.

The board next initialed an Auctioneer's License for October 29 at 9:00 am at the request of Dennis Broadbent for the purpose of a benefit for the Friends Meeting House.

Patrick C. McCarthy and Josephine M. Pannell were then appointed to the Mattapoisett Cultural Council with the term to expire April 30, 1995.

The board decided to hold off on signing the Memorandum of Agreement for Chapter 90 monies for fiscal year 1995 with an allotment from the Commonwealth in the amount of \$167,613 to "digest some of this," according to Chairman DeCosta.

The board then approved the minutes of the September 6, 1994 meeting of the board.

A letter thanking resident John Atkinson for donating his time in clearing the brush surrounding the Center School tennis courts was signed by the board.

Fire Chief Ronald E. Scott submitted a press release indicating that a benefit softball game between the Mattapoisett Fire Department and the Mattapoisett Police Department will be held on September 25 at 12:00 noon at Center School. All proceeds from baked goods and refreshments furnished by the Firefighters' Auxiliary and the policemen's wives, as well as the

Daniel J. Bungert, Chairman of the Conservation Commission, requested the board accept a parcel of land located off Mattapoisett Neck Road, to be donated by Decas Real Estate Trust for conservation purposes in accordance with Massachusetts General Laws Chapter 40, Section 8C. The ConCom would have administrative control over the land. The parcel is identified as Lot 59 on Assessors' Map 11. The board unanimously voted to accept the property.

Mary L. Padula of the Executive Office of Communities and Development (EOCD), Clark Ziegler of the Massachusetts Housing Partnership, and Richard Driscoll of the Massachusetts Bankers Association notified the board that \$1 million dollars in additional funding will be made available for the Soft Second Loan Program.

Mr. Bungert of the ConCom submitted an additional memo regarding the August 26 Buzzards Bay Comprehensive Conservation Management Plan Meeting. Mr. Bungert stated that this meeting, called by William Nicholson, Mattapoisett's representative to the Buzzards Bay Action Committee, was both productive and encouraging.

Coastline Elderly Services, Inc. will sponsor a Fashion Show and dinner on October 27 to benefit the Meals on Wheels Program for the elderly. Tickets are available by contacting Evelyn Pursley at 999-6400 ext. 71. There will be a donation of \$20 per person.

Fire Chief Scott submitted the compliance requirements for the underground storage tanks owned and operated by the town. Selectman Mahoney noted that a ball park figure should be developed for the Special Town Meeting this fall.

The board then met with Raymond Eisenber, Accountant for Circle

Mr. Mulford, representative for Rick and Jean Brown, owners of Romeo's, stated that following the approval of the transfer, they will be seeking a variance and special permit to convert the store to a private residence. Mattapoisett Auto Alarm is the current leasee for 20 Fairhaven Road. Ms. Lefevre, who will be managing the liquor store at this location, assured the board that the adjoining convenience store/gas station will not have common employees. The projected hours are between 9:00 am and 10:00 pm, which are well within the parameters of the license.

The board then met with William Matthews and Seth Mendell regarding parking for those visiting the Historical Museum. Mr. Matthews

stated that the "No Parking" signs located on Baptist Street and the "15 Minute Parking" signs on Church Street posed difficulties for the museum's 400-plus visitors this summer. Mr. Matthews asked the board to look into changing the signs in whichever way advisable to accommodate the summer visitors.

The board agreed to consult with Safety Officer Paul Magee and Fire Chief Scott regarding this issue. An additional meeting will be scheduled upon their meeting.

ORR students will be holding a "Respecting The Environment" event on September 28 from 9:00 am to 1:30 pm. The board will be contacting Wesley N. Bowman, Highway Surveyor, for suggestions regarding cleanup activities.

Evelyn S. Pursley, Chairman of the Council On Aging, suggested the formation of a board that will study the need and feasibility of a community/senior center for the town. The board will take this matter under advisement.

There being no further matters to come before the board, the meeting was adjourned at 8:15 pm.

## Marion Selectmen's Meeting September 13, 1994

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, September 13 at 7:00 pm by Chairman Loretta B. Schaefer. Also present were Selectman Albert E. Winters, Selectman Jonathan "Jody" Dickerson, Executive Secretary Ray E. Pickles, and Secretary Helene Craver.

After signing and approving Treasury Warrant #11 and approving the minutes of the September 6 meeting, Chairman Schaefer noted that Selectman Winters had agreed to serve as the town's representative on the Buzzards Bay Action Committee (BBAC), for a term to expire on May 31, 1995.

Chairman Schaefer also read a letter she was handed that day from resident Dottie Drolette, who came before the board last week with a signed petition to move the rock in front of the Town House to the side lawn (near the flagpole). Ms. Drolette noted that she had talked to a local contractor, who said he would agree to move the rock at no cost to the town and without damaging the existing walkway. (These were both concerns of the board last

week.)

Under the DPW Report, Chairman Schaefer noted that the work on Delano Road is nearly complete, with the last of the pipe installation slated to be done by this week. The road has been opened to traffic at 5:00 pm every day, and it is estimated that the entire project should be done in about four weeks. Both Chairman Schaefer and Selectman Winters agreed that the contractor had done much to alleviate the concerns of area residents.

The board then unanimously agreed to renew the lease between the Town of Marion and the Marion Social Club for another ten-year-period, set to expire on July 30, 2004.

Under incoming correspondence for the week, Chairman Schaefer cited a notice from the Massachusetts Highway Department officially releasing \$105,907 in Chapter 90 monies for highway repair for fiscal year 1995. The board unanimously signed and approved acceptance of said funds.

Clyde F. Akins, Jr., the Commander of the Benjamin D. Cushing Post 2425 VFW, sent a request to the board to meet with them to discuss their intentions in assigning stewardship of the Music Hall on Front Street. According to Mr. Akins, the VFW Post was appointed custodians of the facility by the town in 1947. Chairman Schaefer asked that they be invited to attend next week's Selectmen's meeting to discuss this matter.

Marion Shellfish Officer Charles Bradley notified the board that all Marion waters are officially open to the taking of scallops, effective Saturday, October 1. A new regulation, however, restricts all diving for scallops for both Family Permit holders and Commercial Fishermen, including both snorkeling and scuba diving.

Lee Craver of the Marion/Mattapoisett/Rochester Housing Co-Op, Inc. next informed the board that the state Executive Office of Communities and Development (EOCD) had approved another \$1 million in

funding for the Soft Second Loan Mortgage Program. Mr. Craver noted that the Housing Co-Op is planning to apply for more money in early 1995, and would like the continued support of the Board of Selectmen.

The board unanimously voted to continue their support of the Housing Co-Op's efforts and agreed to send a letter to that effect to the state.

DPW Superintendent Rob Zora noted that the department has received its new sewer jet rotor, which will be up and running in about two to three weeks (once everyone is trained in its use). "We're happy that the taxpayers have approved the purchase of this equipment," Mr. Zora said.

Lastly, Mr. Zora noted that the department will hold its Annual Heavy Trash Pickup on Monday and Tuesday, September 26 and 27. Residents should plan to put out any heavy pickup items such as white goods, metal items, tires, bundles of brush, and the like on those days only. More information will be forthcoming.

At 7:30 pm, the board met with the various town department heads to discuss progress over the summer and throughout the past year and to hear plans for the months ahead, including next year's Annual Town Meeting.

Police Chief Brian J. Scott agreed his department had a good summer and had plans to refurbish the meeting room at the Police Station and also prepare for the E-911 phone system.

"The one thing I'm concerned about is that all houses should be clearly numbered and visible from the road," Chief Scott said. "E-911 works strictly on street addresses, and if you have to search for an address, you're delaying response time."

DPW Superintendent Rob Zora agreed. "There's a Town By-Law on the books which states that all houses need to be clearly numbered," he said. "I think now is the time to enforce that."

Selectman Dickerson echoed this sentiment, suggesting that many house numbers are confusing to locate, especially along County Road, which runs across three town borders. "We might even consider talking to (Wareham and Mattapoisett) about making sure the numbers are sequential," he said.

DPW Superintendent Rob Zora said his only concern in the months ahead is the town's curbside recycling program, and SEMASS' lack of support in this endeavor. "It's not a cheap venture and it's not very cost-

effective," he said, "but I fully support curbside recycling and I hope the state continues to support mandatory curbside efforts.

"But if we're going to make an honest commitment to do this, we need to consider funding the project for the future. I mean, SEMASS has stopped accepted our recyclables and we're now trucking everything to BFI in Brockton. What are SEMASS' obligations to this town ... and why do things change and we're never told about it?"

The board agreed to seek alternate avenues for the curbside recycling program, including the possibility of hiring an outside contractor (much like Mattapoisett) to free up the DPW's workload.

Harbormaster George Jennings said his only concern at the present time was the small number of boat pumpouts done over the summer — a mere 25 percent — when the pumpout facility is readily available and he has even offered to take his own boat to pump out others' when they are not present.

"If they're not using the pumpout facility, I have to wonder what they're doing with the waste," he said. "We need to get the message across that dumping waste into Marion Harbor is illegal."

Lastly, Jay Crowley, Vice Chairman of the Planning Board, informed everyone that her board is at work on a Comprehensive Land Use Plan for the town, along with a Master Plan, which hasn't been updated for some time.

"I would encourage you to look at potential growth in terms of what happens in New Bedford," said Chairman Schaefer. "I don't think we're prepared for the possible ramifications of a gambling casino so close by. There may be some benefits, but I think it will have some negative impact, too."

Police Chief Scott agreed. "Anyone who is duped into thinking there are benefits to casino gambling has watched too many movies," he said. "Very seldom does it have any benefit to local communities ... and I would hate to see the quality of life suffer because of poor planning."

Ms. Crowley noted that the Planning Board is keeping such ideas in mind for future development.

Before adjourning, Selectmen asked all the department heads to prepare a job description of their duties and responsibilities for future use, and advised them that initial capital budgets will be due by early November for the consideration of the Finance Committee.

There being no other matters to come before the board, they unanimously voted to adjourn for the evening at 8:25 pm.

## Rochester Selectmen's Meeting

*September 12, 1994*

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, September 12 at 7:00 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael Murphy, and Administrative Secretary Shirley A. Ferreira.

After unanimously approving the minutes of the September 6 meeting, the board opened discussion with Chief Dispatcher Scott Ashworth of the Communications Department and Highway Surveyor Jeffrey Eldridge, along with members of both departments, regarding overtime payments within the town.

Chairman Hughes explained that a few weeks ago the Selectmen were advised by Town Counsel that those employees who work for more than one department in the town should be paid for overtime only if their total time exceeds 40 hours within that department. The combined hours from two or more positions were not eligible for overtime payment. It had been a regular practice to pay employees in this manner, and it was decided to keep things status quo.

Since that time, however, Chairman Hughes noted that a change in federal regulations now

allows overtime payment if the overtime hours are sporadic. "If the time you work over 40 hours is sporadic, you are to be paid at the regular rate," Chairman Hughes said. "But Fire and Police employees must be paid time and a half because they fall under public safety."

There are several town employees who fall under this category as they work alternately for the Communications Department, Fire Department, Highway Department, and/or Police Department.

Selectman Hawkes said that the term "sporadic" was something of a grey area, but consented to the fact that working over 40 hours every week was not sporadic.

"As it stands now, in my opinion, if you're not working a routine schedule every week you should continue to be paid at the regular rate," Chairman Hughes said. "But if you are called in for special situations, you should be paid for the time and a half."

The board also advised the various department members present that there should be no routine scheduling whereby the employees automatically work over 40 hours a week. "The schedules should remain the same," said Selectman Hawkes.

The board also unanimously voted to allow

next sent the board notification of an additional \$1 million in funds now available for area home buyers. The program is a joint effort between the Executive Office of Communities and Development (EOCD) and the Massachusetts Housing Partnership (MHP), which allows families earning less than 80 percent of median income (less than \$39,700 for a family of four) to qualify for a mortgage and purchase a home.

Those interested in applying for said funds can obtain an application through the Marion/Mattapoissett/Rochester Housing Co-Op, Inc., which are available at all three Town Halls.

The Department of Environmental Protection (DEP) sent a copy of their notification to SEMASS granting approval for the company to operate an expanded waste to energy facility. The expansion will be located on the existing SEMASS site.

Under notices for the week, the Board of Appeals will be holding a Public Hearing on Thursday, September 22 at 7:30 pm upon a request from the Annie Maxim House, Inc. for a variance from Protective By-Laws. The variance would allow them to use another house across from the existing location, if approved.

The New Bedford's Women's Center sent notification of their Annual Meeting, which will be held on Thursday, September 22 at 7:00 pm.

The board next signed and approved a Memorandum of Agreement to expend an allocated \$204,080 in Chapter 90 monies for highway repairs. The amount has been reduced from an earlier estimate of \$207,080. The board also signed an Alcoholic Beverage License transfer for the Plumb Corner Market, Inc. which had previously been approved by them.

Under Old Business, Selectman Hawkes asked that the track coach at ORR High School be reminded to suggest a representative for the town in the SEMASS Run for the Environment next month.

Chairman Hughes noted that the new Council on Aging van had been purchased and delivered and was parked outside Town Hall. He noted that he will ask the COA Board how they wanted the vehicle lettered and he will contact a person in Acushnet who has done work on all the town vehicles.

Upon receipt of a letter from Town Counsel which essentially said there would be no conflict in the town's allowing Todesca Equipment Corporation to pave a section of road near their facility, Selectman Hawkes moved to contact the company and accept their generous offer, which was unanimously approved by the board.

Under New Business, Chairman Hughes suggested that in anticipation of work being

"Over the past year, I've heard the bridge called so many different names," Chairman Hughes said. "I just think it's time we made it official ... and I think it would be appropriate to name it after Mr. Hiller."

Chairman Hughes said he talked to some of Mr. Hiller's relatives, and they were agreed it would be a fine memorial. The board agreed and

## St. Gabriel's Church

Services at St. Gabriel's Church in Marion on Sunday, September 18 will include Holy Communion at the 8:00 am Chapel and Family Eucharist at the 10:00 am Church service. Instead of the Prayers of the People, the Litany of Ordination will be done in preparation for the consecration of Bishop-elect Thomas Shaw, which will be held next Saturday (September 24) at the Boston University hockey rink.

This Sunday also marks the beginning of a series of Adult Education Forums that will run through November 20. These programs will be held immediately following the 10:00 am services. Based on the Kerygma Bible Program, the series is meant to encourage Bible

reading and to help us interpret and use the values. This Sunday: "A Few Kind Words About Sin," presented by Rev. Robert Woodroffe.

Holy Communion will be celebrated at both the 8:00 am Chapel and 10:00 am Church services at St. Gabriel's Church in Marion on September 25.

The adult education forums continue with "The Inbreaking of God," given this week by the Rev. Worth Campbell, who was with us this summer on the Sunday of August 7. The Rev. Campbell has worked in Europe over an extended period, has been a Navy Chaplain and has taught at Tabor Academy.

The Youth Fellowship will kick off its 1994-1995 program with a spaghetti dinner and organizational meeting at 6:00 pm on Sunday in the Parish Hall.

humanities, school council, and membership committees were discussed. The PTA membership drive is ongoing with membership packets having gone home with the students on September 9. The Spring drive was very successful, with 62 members joining representing a total of \$1,800 and many additional volunteers signing up.

Continued financial and voluntary support will help the PTA continue to bring forth many beneficial programs to the schools that would not ordinarily be funded under the school budget. Please call Paula Butterfield at 758-9281 for any further information.

The next PTA meeting will be held at Center School on October 4. The evening will begin at 6:30 pm as an open reception for all new and prospective members and also as a welcoming reception for Mr. Rosenblatt. A regular business meeting will begin at 7:00 pm. All members of the community are invited to attend and find out more about this very active and vital part of Mattapoissett.

**OVERESTIMATING FLAWS**

There isn't a REALTOR who has not seen prospects instantly turned off toward purchasing a home by peeling paint on the outside; a lawn overgrown with weeds or littered with debris; a dirty kitchen, worn carpeting or shabby wallpaper.

On occasion, overestimating these flaws can be a mistake. Don't automatically let surface shortcomings cause you to reject the house. You may be passing up an excellent purchase. If the location is good and other properties in the neighborhood are valued at a higher

amount, it may be worth your taking a longer look. Many of the clean-up and paint-up jobs can be done at little cost. In an older house, apparently serious defects may not be so serious after all. Often they can be corrected for a few hundred dollars. Of course, check on the cost of repairs before you buy. Armed with fix-up costs you may be able to negotiate an excellent buy.

### **Marion Beach Cleanup Effort**

On September 17 at 9:00 am, local volunteers will gather at Silvershell Beach in Marion to help remove trash and other pieces of marine debris from along Marion's shore. The Conservation Commission is seeking volunteers to assist in this effort. The cleanup is part of COASTSWEEP, a state-wide effort organized by the Massachusetts Coastal Zone Management to clean up the shore.

Through this effort over the last seven years, thousands of volunteers have removed hundreds of thousands of pieces of marine debris from almost 200 miles of Massachusetts coastline every year. Volunteers also collect valuable data that is used to identify the sources of marine debris to help prevent this problem in the future.

All materials, such as protective gloves and trash bags, will be provided. Areas to be covered by the cleanup will include the Silvershell, Planting Island Causeway,

### Meeting on Health Care Reform

On Friday, September 16, local residents will have a chance to take part in national policy. The Marion/Mattapoisett/Rochester League of Women Voters and the Kaiser Family Foundation will be sponsoring "Citizens' Voice for Citizens' Choice: A National Satellite Town Meeting on Health Care Reform" from 2:00 pm to 4:00 pm in the Browsing Room at the UMass Dartmouth Library.

The public is invited and may use telephones with special "1-800" numbers to pose questions to the panel participants. People should plan on being seated at 1:45 pm and should park in lot 13.

At this Satellite Town Meeting, a panel of health care policy experts and elected officials will discuss current reform issues in Congress in a two-hour program broadcast from Washington, D.C. over C-band and KU-band satellites from 2:00 to 4:00 pm.

Audiences at more than 100 downlink sites across America will participate in this Town Meeting by using the toll free numbers to ask their questions.

Carole Simpson, the Emmy Award-winning anchor for ABC News, will be the moderator, and participants will include Becky Cain, Chairwoman of the League of Women Voters Education Fund; Drew Altman, President of the Kaiser Family Foundation; Kathleen Hall Jamieson, Dean of the Annenberg School of Communication; Margaret Jordan, Vice President and

## Mattapoisett Town Clerk

### Absentee Ballots

Absentee ballots are now available in the Mattapoisett Town Clerk's office for persons who will be absent from town during polling hours (7:00 am to 8:00 pm) on Tuesday, September 20 — the State Primary election. The Town Clerk's office is open 8:00 am to 4:00 pm, Monday through Friday.  
E-911

The E-911 Emergency phone system has the capability of identifying locations as having special needs for disabled persons (i.e. blind, deaf or hard of hearing) on life support systems, mobility impaired, speech impaired, and the like. Should you call for emergency services, the personnel responding would be aware of the special needs at your address. To take advantage of this feature, you may complete the very simple request form available at the Town Clerk's office.

### Dogs

Town Clerk Lois K. Ennis would like to remind all dog owners that the \$10 per dog late fee is now in effect. An additional \$20 per dog late fee is being charged as of September 1, for a total of \$30 per dog. These fees are in addition to the normal license fees of \$7 or \$10. Requests for licenses may be mailed to P.O. Box 89, Mattapoisett, MA, or deposited in the Town Hall drop off box or purchased in person. Should you have any questions, please call 758-4103. Court action will follow for those licenses not paid.

continuing education course based on the 1993 Electrical  
Code. This will be the last time the school will offer the 15-  
clock hour mandatory code course based on the 1993  
Electrical Code.

The course will be held Monday night starting  
October 17 and will be three hours per night (6:00 pm to  
9:00 pm). Pre-registration is recommended and enrollment  
is on a first-come, first-served basis.

Interested licensed electricians may pre-register by  
calling the Electrical Department at Old Colony (763-8011,  
extension 31). A copy of the Massachusetts Electric Code is  
required. Cost for the course is \$50, or \$30 for anyone 70  
years or older. Please make checks payable to "Old Colony

## Fall Safe Boating Classes

Safe Boating Classes will begin at 7:00 pm on  
Wednesday, September 21 at the Marion Music Hall (VFW)  
on Front Street in Marion. You may register at the  
beginning of the first class. Taught by members of the  
Marion Flotilla of the U.S. Coast Guard Auxiliary, the  
classes will cover safe boating basics and will meet from  
7:00 to 9:30 pm on Wednesday.

Make boating safety a family activity: join the  
class as a family group. The course will prepare young  
people for the exam required for those under 16 who wish  
to operate a power boat alone.

New boaters, those who are considering becoming  
boaters, and those who want to refresh their boating  
knowledge are all welcome. Some insurance companies  
offer discounts on marine insurance to boaters who have  
successfully completed an approved course such as this  
one.

If you would like more information, please contact  
Betty Theriault at 758-2904 or Walter Ulewicz at 763-5424.

## Blood Pressure Clinic

A Blood Pressure Clinic will be held on

### The Friends of the Elderly

The games at Village Court have resumed and will continue every Wednesday from 1:30 to 3:00 pm. If you do not have transportation, call Diane at the Council on Aging (758-4110). The van will pick you up and return you to your home. Visually-impaired seniors are encouraged to attend.

There will be crafts at Village Court every second Tuesday of the month beginning from 1:30 to 3:00 pm. Small novelty items will be made and distributed to the area nursing homes. Anyone of any age interested in doing this may call Nancy at 758-6900.

The next SHARE Distribution Day will be on September 24 at the Old Hammondtown School between 12:00 and 1:00 pm. You may also register for October at that time. All that is needed is \$14.50 for two hours of any kind of volunteer work. Anyone may apply. For information, please call Jean at 758-6470.

The ongoing Walking Club is still looking for new members. Fast or slow walkers make no difference. This is good exercise. They meet at St. Anthony's Church parking lot every Tuesday morning (weather permitting) at 11:00 am.

### Sippican Choral Society

### Mattapoisett Firefighters' Auxiliary

The Mattapoisett Firefighters' Auxiliary will hold its first meeting for 1994-1995 on Wednesday, September 21 at the Mattapoisett Fire Station. Refreshments and social will begin at 7:00 pm, with the meeting slated for 7:30 pm. Following the meeting is a demonstration by Bittersweet on floral drying. Meetings are held the third Wednesday of each month with a varied program to follow.

The role of the Firefighters' Auxiliary is to assist firefighters during emergencies by providing food and beverages, raise scholarship funds, and provide community service as needed.

Anyone interested in joining the Auxiliary is welcome to attend the September 21 meeting. Be sure to bring a small bunch of flowers or grasses from your yard to take part in the demonstration. Please call Cheryl at 758-6276 or Lana at 758-6496 if you are interested in attending.

### Rochester Historical Society

A noted scrimshander has been commissioned by the Rochester Historical Society to execute the Town Seal on a medallion which will be sold by the members to raise funds to support their efforts toward historical preservation and research.

This is the first of a planned series and an outstanding opportunity to obtain a fine example of the whaleman's art.

The Rochester Historical Society will hold its September meeting at the North Rochester Congregational Church at 7:00 pm on Wednesday, September 21.

## Plumb Memorial Library

The Preschool Story Hour at the Plumb Memorial Library will begin on Wednesday, September 21 at 10:30 am. Registration for the series will begin the first week of September. The series is open to Rochester children, ages 2 to 5. Story hour includes stories, songs, crafts, and much more. Space is limited, so register early. Parents can register their children in person during library hours, or by calling the library at 763-8600.

The library is still looking for a person or persons who would be willing to do a Preschool Story Hour session at 1:30 in the afternoon on Wednesday. Interested persons should possess a love of reading, a love of children, and a commitment to a weekly program. Interested volunteers should contact Lucy at the library during regular hours.

The library is currently open Monday, 4:00 to 8:00 pm; Wednesday, 10:00 am to 5:00 pm; and Saturday, 10:00 am to 2:00 pm. We are closed on all major holidays. Look for expanded library hours this fall.

## Plymouth Bay Girl Scouts

The Girl Scouts are preparing for another troop year of fun and friendship. The Plymouth Bay Girl Scout Council will distribute flyers about the Girl Scout program for Grades K - 6 through the local schools in Marion, Mattapoisett and Rochester during the week of September 12. Girls who are new to Girl Scouting are encouraged to return these flyers to their school. Girl Scout membership dues, which are \$6 annually, will be collected at the first troop meeting.

Girl Scouting offers a wide range of activities focused on the needs and interests of girls. Through Girl Scouting's contemporary programs, girls develop self-esteem, make new friends, and become a vital part of their community.

"This year troops throughout the nation will be involved in the national service project, Health and Fitness," said Carolyn Mayo-Brown, Executive Officer of the Plymouth Bay Girl Scout Council. "Around the theme of 'Be Your Best,' girls in our area will undertake interesting activities designed to keep them healthy, build positive images, and improve overall safety and well-being."

Adults are also needed to volunteer in several capacities. Girl Scout troop leaders, consultants, and guest speakers are just some of the many volunteer positions available to both women and men. For additional information about Girl Scouting, please call the Plymouth Bay Girl Scout Council at 1-800-242-0925.

# DO IT YOURSELF?

## You'll Have Only Yourself To Blame!

Installing a gas or electric water heater is a job for a licensed plumbing professional. Only your plumber can provide the expertise required to do the job right the first time and suggest the right water heater to give you years of trouble-free service and all the hot water you'll ever need.

We recommend energy efficient, versatile water heaters from Bradford White. They are the perfect choice for the value-conscious homeowner. Bradford White water heaters come with a 2-year parts warranty, the exclusive VITRAGLAS tank lining and your choice of a 5, 8, or 10-year product warranty. Bradford White and your licensed plumbing professional, the perfect combination for your peace of mind.
